

# 2024 CORPORATE VOLUNTEERING

## who are we?

Treasure Boxes is a South Australian based, not-for-profit, non government-funded organisation that provides babies, kids, and teens who are in desperate need of help with items such as clothing, nappies, toiletries, cots, and car seats.

## who do we help?

We work closely with over 150 organisations across SA to assist with providing the basic essentials to babies, kids, and teens. Families can also access our service directly through our website.

## what can you do as a company?

Join us for a hands-on experience at our Edwardstown warehouses. Packed with maximum impact, you will have the opportunity to give back to the community and do your part to ease the pressure for struggling families in SA.

## still passionate about treasure boxes?

Head back to the office and continue to spread the word about Treasure Boxes. Run a donation drive, become a charity partner, host a fundraiser. Your options are endless.

*Our mission is to reduce the number of South Australian kids living in severe disadvantage.*
